**A HAPPY
NEW YEAR**

January 2015

Issue No. 6

Governor's Message

I would like to wish everyone a Happy, Healthy New Year. We can make 2015 a memorable one with every Lions help. I saw that the clubs did so many projects to help those in our own communities through the generosity and hard works that you and your members provided. You were able to obtain needed items and gifts for so many in the holiday spirit.

This is the time to set our goals for 2015. Together, we can achieve them. Please try to ASK ONE to a meeting. Our district is still behind the other two districts in regards to membership. We are down by 41 members but we are the A team and we can do better if we all try a bit harder. Please take a moment and think about those you know that might learn what Lions do. Who knows maybe they will join!

When a new year comes before us, we always make goals for ourselves. This year include your Lion personal goal. It maybe a new project, a new member or and idea. I encourage you to move on it. The best projects start with an idea.

Thank you to all who helped to make the district Holiday Party shine. Lion Frank Molinaro, for your work on the photo contest for the district. I would like to congratulate Lion Frank as his photo was the winner of the District A photo Contest. It was a spectacular picture that we all loved.

Our peace poster winner from District A came from Danbury Lions Club. At this time, the winner of the district came from B. I thank everyone involved in making an effort to get the youth involved in this project. A special thanks to Lion Dorothy Pickens as our District Peace Poster coordinator for all she did to help the clubs with this project.

The mid winter is scheduled for Feb. 6-Feb 8. Please remind your club members so they can join in the activities of this weekend. It will be at the Cromwell Plaza in Cromwell, CT. The forms are located on the website for our district. Please try to attend. There will be joined by Lion Jim Canon for a seminar on membership.

I would like to thank everyone for their continued support in making my goals and thank you for your hard work and friendship.

Together we **"STRENGTHEN THE PRIDE AND OUR LION'S FAMILY."**

Yours in Lionism,
DG KathyLynn Patterson
