Governor's Message

Lions, you have been working so hard and it shows. I am excited that this year we have chartered two Leo clubs one in Meriden and one in Seymour. I thank the hard works of both the clubs and Leo advisors for their time and energy to make this a success for our community.

I am so proud of each Lion and the District 23A. As of today's date, I would like to share these numbers with you.

| <i>Total number of people served in CT by Lions</i> | 458951 |

Thank you sincerely for making this a great year!

We are only down by 48 members so there is time to turn this into a positive year. So invite a friend or acquaintance to help on your projects with you. Once they see what we do, they will join.

I personally want to say THANK YOU for allowing me the opportunity to serve with you. I have enjoyed the friendships, the visits, the laughs, the travels and most of all being a LION sharing stories and hopes for Connecticut. Together, the District Lions of 23 A has made a difference and yes your efforts count. The numbers and hours reflected above shows the determination and time that was given to help another person.

To all club officers, cabinet members, Lions, and Lioness, I assure you that you will be in trusted hands in as of July 2015 with DGE Tom Sullivan. Please share with him your stories and projects as it has been a life changing experience beyond anything I had expected. This is my last newsletter for the year and the memories will last a life time.

The International Convention is June 26-June 30 in Honolulu, Hawaii. I am hoping to see many of our Lions there to congratulate the incoming District Governor.

Together, you have Strengthen the Pride!!

Again, thank you Lions for all your support and help this year.

Love to all of you! ALOHA!!
DG Kathy Patterson, 23A
