ISSUE NO. 10

Governor's Message

Hope everyone is enjoying the beautiful spring weather? It is a time to be outside trying to enlist new members for your projects. Remember to contact your human services director in your community; you will be surprised as to what is needed in them.

The Women and Family Symposium was held but I think it will be better next year when we are able to tweak on the issues that did not make it a super one. It was well attended by Lions and I am thankful to all the speakers.

The days have gone by quickly but I am so proud of each Lion and their club. As of today's date, I would like to share these numbers with you.

<i>Lion's hours served in 23 A</i>	18,979
<i>Number people served by District A</i>	163,241

This is amazing!!! Job well done by all.

We are only down by 54 members so there is time to turn this into a positive year. I know together we can achieve anything. So Ask One to visit your club or help in a project. Our State Convention went quite well. The vote unanimous for the new officers.

Congratulations to:

DGE	Thomas Sullivan
1st VDG	Colette Anderson
2nd VDG	Shaukat Khan

We have an amazing new team of officers with new goals and ideas. I wish them well and they will be an asset to our District. Please feel free to contact the new officers to visit your club and share their ideas. The Necrology Service this year was very humbling and I know we will miss those Lions who have passed. But their works still carry on in each one of us.

The International Convention is June 26-June 30 in Honolulu, Hawaii. I am hoping to see many of our Lions there to congratulate the incoming District Governor.

Together, we strengthen the Pride.

Wishing you all well!
DG Kathy Patterson, 23A

PU101 Due -Check your members information.
Last Cabinet Meeting- June 8-Lakeview Lodge Bethany, CT
June 26-June 30-International Convention Honolulu, HI
