## **Leo to Lion Transition**

Current and Former Leos, between the age of legal majority and through age 30 who have been a Leo for at least a year and a day, can join an existing Lions club or charter a new Lions club. All former Leos receive a charter/entrance fee waiver and former Leos between the age of legal majority and through age 30 pay half international dues. Plus, all Leo years of service will also be included in your Lions membership record.
